MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Don I. Wortman
Deputy Director for Administration

Frank:

1. Met with Charlie Bohrer and laid it on the line re using his Level V for Fitzwater. He gasped a bit, feels his colleagues would view it as scaling down of their professional status, etc.

2. If you decide to offer it to Harry, I have no trouble with that and I can get it done so Office of Medical Services won't miss a beat.

Don I. Wortman

STAT

** that level V for that job
predates Charlie - was given
to Tietjen in recognition of
